

## Lifestories News

### **Another Blessed Week !!!**

#### **Sunday**

On Sunday night, "What's The Meaning Of Life" had a great response. Two people left messages asking for prayer while the event was live. One was Cathy Brennan who writes a letter to God everyday, but He doesn't answer.

The other was Jayne Harris. She's an addict, struggling with loneliness and depression. She has made a commitment, but is struggling with her faith.

Pastor Des ministered on the phone to Jayne from Rotherham who made a commitment to the Lord. Can we pray she gets into a local church?

#### **Monday....**

Stuart shared his testimony, and we've had such great feedback from so many people. Can we pray for Ikey who made a commitment on Facebook during the meeting?.

Can we pray for all the men at Wigan Post Office where Stuart works to whom he's sent the You Tube video of the evening?.

Plus one of the Christian Vision for Men leaders, Michael Bushby, was really touched by Stuart's salvation story.

#### **Tuesday.....**

Terry Fanning's salvation story went across India to over 20,000 Indians, provoking a huge response.

138 Indian people clicked on the Salvation Prayer Link. Can we pray for them?

On Tuesday I got the opportunity to speak about the work of BMF LifeStories with Hope FM, a Christian Radio Station in Dorset. They were so moved by the testimonies I shared from the last eight months they were keen to work more closely with us. Please pray for this relationship to grow.

#### **Wednesday.....**

We heard news from David Barnfield that he'd been able to share with a man called Ian.

David says..."I have been having some good conversations with a dealer who is clearing next door's house, and I gave him our new magazine and was telling him about Bruce Dyer. The man's name is IAN. He is 49, and when he was 42,

he had Atrial Fibrillation - a heart beat of 298, and they had to take his heart out of his body and build a cage from a cow's intestine to put his heart back in. I told him God has His hand on him."

What a great example of sharing the Gospel even with all the restrictions. It's also great to see the BMF LifeStories Magazine being used in a similar way to the Answer Magazines.

#### **Thursday.....**

Facebook has told us that it wrongly disabled some of our BMF LifeStories Facebook Pages. Please pray as we start to use these accounts again to reach people in Wales , Scotland and the USA.

#### **Friday.....**

We heard the sad news that our dear brother in Christ, Randip Bhogal, had passed away.

Only a few months ago Randip recorded his Salvation Story and reached thousands of people across Lancashire with the Good News of Jesus. On;ly today we received a message on You Tube from Samantha, who had watched Randip's salvation story. She said, "Wonderful life story and inspirational. Thank you for sharing it." It reminds us that time is short, and we must use all our means to reach as many as we can at this time.

At our last BMF LifeStories Face to Face event in Doncaster a group of young unsaved men attended. After listening to Bruce Dyer tell his Salvation Story they discussed Jesus with us. At the end of the conversation they said they were not ready to believe but if they found themselves in trouble they would cry out to God in prayer.

Just a few weeks later Covid 19 struck.

How many men and women are crying out to God at this time?

#### **Saturday**

Praise God, Christina, my daughter led Paul from Walsall to the Lord on the Salvation Prayer Hotline. He listened to Carole Holland's story and wanted to know how he could hear from God. Christina says, "He was broken when we prayed the salvation prayer. He said he feels so different." Christina told him that the angels in Heaven were rejoicing.

He said that his neighbour was a Muslim, and wanted him to turn to Islam. but he wanted to know which God he should choose - praise God he has now chosen the right one! We need to pray that his neighbour will not influence him in anyway and for us to find him a Church.

**We would welcome any support you wish to give to continue sharing these lifestories**

## **Please Pray**

Please continue to pray for the men in Uganda who are going into the prisons. They are short of Bibles for the prisons. Each Bible costs about £10. If anyone would like to support this project, please let me know.

Also please continue to pray for the men and women who are manning the Salvation Prayer Hotline each day

## **December**

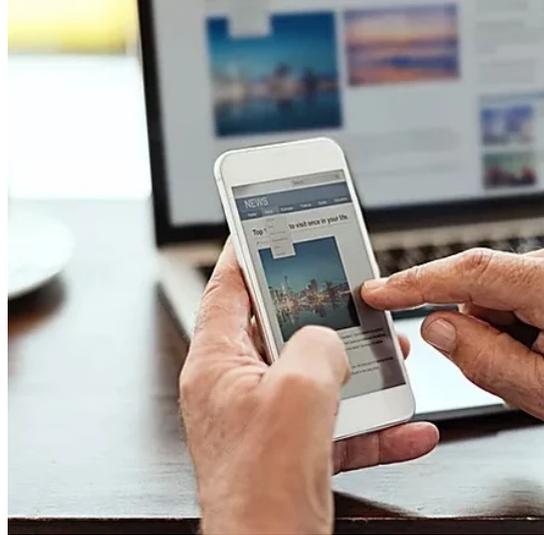

### **God is using us every day**

I think it's clear that God is using us every day online and in person, whether it be over the Salvation Prayer Hotline, or through Facebook, or You Tube. Praise God!

However, we need direction for December, which is going to be a huge opportunity to spread the

Gospel.

Could you pray about December and see if you have a word in season for us?..

## 2021

**We are also starting to pray about how we put on further BMF LifeStories Outreach events after the vaccine has been rolled out. Please pray the Lord guides us as we look into these plans.**

We are looking at May next year, with regard to putting on a Men's Weekend with Pastor Des's Church in Wales. We are looking at having some outreach events on Friday and Saturday night plus a Men's Day on the Saturday, and being with Pastor Des on the Sunday morning at his Church service.

# GET INVOLVED

We are, at BMF LifeStories, very conscious that our aim is to support the local church and help bring this harvest into the local church. To aid this we would like to offer on a Sunday night an opportunity for churches to reach their communities through Facebook,

If you would like to get involved with this please let me know and I will let you know what we need to make this happen,

We would love more people to record their Salvation Story. If you are wondering how you can do it, here is a simple formula to follow:-

If you can record a video with your mobile phone and then send it to me on whatsapp - [07785 237739](https://www.whatsapp.com/business/profile/07785237739)

Intro - Your name, where you live, your occupation (If you are retired, what you did before retiring).

Content - How you got Saved. Exit - Encourage people to click the link on the video to follow

Please try and keep the video below 5 minutes

If you then can get your church leaders' backing, we will put your church details on our website for people to see,

If you've recorded your Salvation Story, record. now another testimony from your life as a Christian. using the same formula as above...Our aim will be to post this on Facebook in an evening on LifeStories Extra.

**I give God thanks for keeping me and giving me the strength to keep on serving Him. I give Him the glory for all that He has done!**

We are looking forward to a blessed evening where we can reach many people across Wigan, and the world!

**Col 1:21-23**

**You, that were sometime alienated and enemies in *your* mind by wicked works, yet now hath he reconciled**

**In the body of his flesh through death, to present you holy and unblameable and unproveable in his sight:**

**If ye continue in the faith grounded and settled, and *be* not moved away from the hope of the gospel, which ye have heard, *and* which was preached to every creature which is under heaven.**

May the Lord bless you and keep you in His love,

Yours in His service,

Allan Jones, on behalf of the BMF Team.
