# Force For Good

**Gary Grant is the Founder and Executive Chairman of The Entertainer, the fastest growing family owned High Street toy retailer in the UK.**

Believing that business can be a force for good, Gary models and encourages generosity through Payroll Giving in the workplace, the pioneering of Pennies, the digital charity box for customers to round up purchases to the nearest £ at the till, and the donation of plastic carrier bag money to the children's hospice movement. Mindful of giving back to the communities in which he trades, 10% of profits each year are distributed by way of The Grant Foundation, supporting hundreds of Smaller charitable initiatives. Gary is also Patron of several charities. From the one store in 1981, The Entertainer has grown to 170 stores in the UK and also has several International partners. Gary is very much involved in the day-to-day detail of the business, and the acquisition of the Early Learning Centre earlier in 2019 continues to create excitement and opportunity.

Gary and Catherine have four children, two of whom work alongside Gary in the business, and seven grandchildren.

We are already seeing a great response on the salvation prayer link from around the world this Easter Week.

One of the stand-out stats from Easter was the 4,000 new followers of our Facebook Pages and 1,000 new subscribers on YouTube.

These followers come from around the world and our challenge to them, like you, is first, "Do you know Jesus?" Second. "Who can you share a Salvation Story with today of how Jesus is transforming lives?"

### REPORT ON BMF-UGANDA WORK FOR MARCH 2021

01-04-2021

On 27<sup>th</sup> March, Tamale Moses and I went to Isimba Prison. We arrived there at around 2pm when it was raining. Nobody was on the gate to receive us, and we had to wait until it stopped raining at 3.46pm. The Officer on duty came and asked us to call the OC because he was away. The OC instructed him to allow us speak to the inmates for one and a half hours. He assembled all the 362 male inmates enrolled in that unit in the compound, and invited us to speak to them. Tamale Moses gave his short testimony, and then I gave my full testimony. 319 men received salvation. We donated 5 boxes of washing soap and 4 Bibles at the end.

On 28<sup>th</sup> March, Tamale Moses and I went to Kigumba Prison. We arrived there at 9.00am when the inmates are taken to Kinyara Sugar Works for labour work. The Officer on duty told us that they would be back at 3pm. We had to wait for 6 hours. While we were waiting we shared the Word of God with 3 prisons wardens, and two of them received salvation. At 3;20pm, when the inmates were back, one of those Officers who got saved, testified how he has perceived the Word of God, and then Moses gave a brief explanation about BMF. followed by his short testimony. I gave my full story which led to 276 out of 316 men enrolled in that unit to receive salvation. We donated 5 boxes of washing soap and 4 Bibles to that prison at the end.

On 29<sup>th</sup> March, Tamale Moses and I went to Buseruka Prison. We arrived there at 2pm, when the inmates were still on parade, as we had agreed with the OC the day before. He introduced us to the inmates and wardens who were on the parade. Tamale Moses gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 372 men out of the 406 who were present received salvation. We donated 5 boxes of washing soap and 4 Bibles to the prison.

**SALVATION PRAYER HOTLINE**

**This has led to a number of people calling in to give their lives to Jesus. Please pray for them.**

As you can see our LifeStories are touching people all over the world. We now have **72,634** people who have clicked the Salvation Prayer Link from over 200 countries since Easter Sunday last year.

Recently we have received a prophetic word about how revival is coming to the United Kingdom and will spread to Ireland, the United States and Canada.

We have all been so struck by the Scripture given to us of the three-fold cord, and how the United Kingdom, the United States and Canada must come together as this three-fold cord to unite for this revival to take place.

Get involved...there are so many ways you can become a Social Media Evangelist.

You can share Monday night's Life Story while it's live from 8pm UK time to your Facebook page, or share the you YouTube link to your WhatsApp friends.

You can choose a Life Story during the week to share with someone who you feel would relate to it.

You can join us on a Thursday night to pray over the people who respond.

You can give towards the Gospel reaching people across the UK and beyond.

There is much to do and time is short

### **Let us have your prayer requests in good time to add them to our list for Thursday**

If you need support or prayer just contact us at [www.bmflifestories.com](http://www.bmflifestories.com) and we will share them with prayer groups worldwide. These groups of Christians are faithful and bring each request before the throne of grace seeking His face

and will in many lives.

**Thanks to generous support in recent weeks we have been able to reach our target of 2,000 subscribers on YouTube and is still rising.**

This milestone is very significant as it now gives us access to extra features on YouTube that allow us to reach more people. The total is now **2,617**. We continue to see young people on YouTube as the largest group watching the Salvation Stories.

### **We Give Local Church Support**

This week we were able to equip a local Methodist church to do more evangelism work through Facebook to their local community. Allan Jones is also speaking through zoom for a local church in Sunderland about the work of BMF LifeStories and encouraging them to become social media evangelists.

Would you like Allan to speak at your church zoom meeting on Sunday or during the week to encourage your church

congregation that God is working powerfully at this time?  
Contact Allan through email [allan@bmf-uk.com](mailto:allan@bmf-uk.com)

# GET INVOLVED

We are, at BMF LifeStories, very conscious that our aim is to support the local church and help bring this harvest into the local church. To aid this we would like to offer on a Sunday night an opportunity for churches to reach their communities through Facebook,

If you would like to get involved with this please let me know and I will let you know what we need to make this happen,

**We would love more people to record their Salvation Story. If you are wondering how you can do it, here is a simple formula to follow:-**

**If you can record a video with your mobile phone and then send it to me on whatsapp - [07785 237739](tel:07785237739)**

**Intro - Your name, where you live, your occupation (If you are retired, what you did before retiring).**

**Video Content - HOW YOU GOT SAVED. PLEASE DO NOT MENTION DENOMINATIONS OR CHURCHES. it is purely how you came to know Jesus and his Saving Grace**

Please try and keep the video below 5 minutes

If you then can get your church leaders' backing, we will put your church details on our website for people to see,

If you've recorded your Salvation Story, record. now another testimony from your life as a Christian. using the same formula as above...Our aim will be to post this on Facebook in an evening on LifeStories Extra.

We are looking forward to a blessed evening where we can reach many people across the world!

**2 Peter 3:18 But grow in grace, and *in* the knowledge of our Lord and Saviour Jesus Christ. To him *be* glory both now and for ever. Amen.**

**We would welcome any support you wish to give to continue sharing these lifestories**
