

YouTube Update

We are seeing huge strides forward for the Lord in this area and this week we wanted to encourage you that your sharing of the LifeStories videos is fruitful.

Each week now we are seeing over 100 people clicking the Salvation Prayer Link from YouTube videos. Some days we have over 100 hours of watch time from people around the world. Praise God that over 59% of this audience is under 35 years of age!

We feel there is a real move of God taking place with young people around the world. Many are from Muslim nations.

Please pray for these young people and if you have any words of knowledge or ideas for video content to reach this group in further ways please let us know.

Published Every Week on YouTube

Every week on YouTube, you can catch up on our Lifestories Live from the previous Monday night live. If you missed it then don't worry, you can "Catch Up" at your leisure and take your time to watch some great stories from the likes of Charlie Duke (He

Walked on the moon) David Hathaway (Worldwide Evangelist), Ruth O'Reilly Smith (Broadcaster), Simon Thomas (TV Presenter) to name but a few. I'm sure there is at least one story that will touch you and may even change your life. Check it out and see for yourself

People are now very likely to search not only Google for answers but search for a person that can answer their question

What is the new environment of the world of social media like,

and how can we fruitfully share faith in it? Are you a social media evangelist? It's as easy as sharing a video or life story with your friends on facebook, twitter, instagram or what ever social media platform you use frequently.

If you would like to partner with us in this evangelism campaign please join us in praying for us to reach millions of people with these Salvation Story Videos, and that they will reach hearts that are ready to hear about Jesus.

For every £100 you give we will reach over 100,000 people.

Ken Clapham - "Bishop of the Moon"

From a none church going family at the age of 7 years I clearly heard God saying, 'One day you will be a Preacher/Teacher. At 14 my Grandmother suddenly said 'One day you'll be a Vicar. Attending a Mission Service at 17, I gave my life to Christ, A few years later in a service God spoke clearly spoke to me through the Bible Reading REV.3.v.8. I trained for the ministry a few years later at Trinity College, Bristol, served my ministry in Wigan, South Yorkshire and Lancashire. During my ministry I

invited Apollo 15 Astronaut Jim Irwin to our parish, later General Charlie Duke, Apollo 16. At the invitation of Astronaut John Glenn we visited The White House and a number of NASA bases.

As you can see our Life Stories are touching people all over the world. We now have **83105**, people who have clicked the Salvation Prayer Link from over 200 countries since Easter Sunday last year

Let us have your prayer requests to add them to our Thursday list

If you then can get your church leaders' backing, we will put your church details on our website for people to see,

If you've recorded your Salvation Story, record. now another testimony from your life as a Christian. using the same formula as above...Our aim will be to post this on Facebook in an evening on LifeStories Extra.

We are looking forward to a blessed evening where we can reach many people across the world!

[Mar 16:15](#) **And he said unto them, Go ye into all the world, and preach the gospel to every creature.**

**May the Lord bless you and keep you in His love,
Yours in His service,**
