

## **Please pray for PAUL FENTON**

Please pray for Paul, he got a covid19 jab this week but since the jab he has not been very well at all. At times he felt really ill, couldn't sleep at times struggling to breath. He is completely exhausted at the same time. To make matters worse his wife Helen (who is a school teacher) is not well either so it's compounding the situation as Paul has to get up look after his son James.

Please keep Paul continually in your prayers as he is in the forefront of promoting the gospel not just for bmlifestories but for several other ministries as well,

Be Blessed, Be safe and Trust in the Lord

## **Brand New Easter Campaign Launched - Who will you share Jesus with this Easter ?**

As we approach Easter we are launching our new campaign to challenge and equip Christians to share Jesus with their family, friends and neighbours this Easter through

Social Media. On Easter Sunday we will be having a LifeStories Day with Salvation Stories going out every hour throughout the day.

Our aim is to reach 5 million people with a Salvation Story Video, and to see thousands of people click the Salvation Prayer Link or call the Salvation Prayer Hotline.

When we first launched these brand new evangelism initiatives at Easter last year we saw 12,000 people click the Salvation Prayer Link on Easter Sunday, and millions of people across the UK and beyond reached with the Gospel.

We were then able to guide many people to a local church and

church leaders near to them.

We pray that this Easter we will see even more people brought into the Kingdom of God at this time.

## PARTNER WITH US

If you would like to partner with us in this evangelism campaign please join us in praying for us to reach millions of people with these Salvation Story Videos, and that they will reach hearts that area ready to hear about Jesus.

**Also for every £100 you give we will reach over 100,000 people.**

**Paul Gask - From the Gutter to  
Glory**

**From the verge of ending it  
all to the Victory in Jesus**

Paul (known as "Gasky") "retired" as a police officer from the Leicestershire Police in October 2011 after 30 years of service. The bulk of his service was spent in the specialist crime arena (CID) and he also spent 10 years working with individuals who commit serious violent and sexual offences against women and children. Gasky's "retirement" lasted for 6 days before returning to the police in

a civilian capacity! Since 2015, Gasky has been in his current role with CVM and fully concentrates on telling blokes about the good news of Jesus.

**When we are able to put events on again, we are keen to partner with local churches to put on LifeStories events across the UK. We have pencilled in Pastor Des Duffy's Church in South Wales as the first, followed by Pastor Keith Cook's Church in Sunderland as the follow up.**

2021 holds many unknowns but we are desperate to once more go out and put on events across the UK to reach the people who have watched the Salvation Story videos. We are tentatively making plans for Outreach LifeStories events in South Wales and Sunderland in 2021.

**If you would like your Church to get involved in having a LifeStories night to reach people in your community let us know.**

## **Subscribe to our YouTube Channel**

**Thanks to generous support in recent weeks we have been able to reach our target of 1,000 subscribers on YouTube and is still rising.**

This milestone is very significant as it now gives us access to extra features on YouTube that allow us to reach more people.

The total is now **1,355**

We continue to see young people on YouTube as the largest group watching the Salvation Stories.

A recent study found 18-24 year olds are the most open age group who want to talk about God at the moment. 25-45 year olds are the age group least likely to want to have a conversation about Jesus.

**Finally we are praying about this Easter and running a LifeStories Salvation Day on Easter Sunday..**

## HOW WE SUPPORT THE LOCAL CHURCH

### **We Give Local Church Support**

This week we were able to equip a local Methodist church to do more evangelism work through Facebook to their local community. Allan Jones is also speaking through zoom for a local church in Sunderland about the work of BMF LifeStories and encouraging them to become social media evangelists.

Would you like Allan to speak at your church zoom meeting on Sunday or during the week to encourage your church congregation that God is working powerfully at this time?  
Contact Allan through email [allan@bmf-uk.com](mailto:allan@bmf-uk.com)

## GET INVOLVED

We are, at BMF LifeStories, very conscious that our aim is to support the local church and help bring this harvest into the local church. To aid this we would like to offer on a Sunday night an opportunity for churches to reach their communities through Facebook,

If you would like to get involved with this please let me know and I will let you know what we need to make this happen,

**We would love more people to record their Salvation Story. If you are wondering how you can do it, here is a simple formula to follow:-**

**If you can record a video with your mobile phone and then send it to me on whatsapp - [07785 237739](tel:07785237739)**

**Intro - Your name, where you live, your occupation (If you are retired, what you did before retiring).**

**Video Content - HOW YOU GOT SAVED. PLEASE DO NOT MENTION DENOMINATIONS OR CHURCHES. it is purely how you came to know Jesus and his Saving Grace**

Please try and keep the video below 5 minutes

If you then can get your church leaders' backing, we will put your church details on our website for people to see,

If you've recorded your Salvation Story, record. now another testimony from your life as a Christian. using the same formula as above...Our aim will be to post this

on Facebook in an evening on LifeStories Extra.

We are looking forward to a blessed evening where we can reach many people across the world!

**Mat 24:14** And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

**We would welcome any support you wish to give to continue sharing these lifestories**
