

This week we are urging you to join with us to pray for many urgent prayer needs.

New Year New You Evangelism Campaign is reaching, each week, hundreds of thousands of people from across the world on Facebook and YouTube with Salvation Story Videos, but it needs prayer backing.

Many of the people who are calling in to the Salvation Prayer Hotline after watching these videos are saying abusing words to the volunteers manning the phones. Please pray this week that our volunteers will be encouraged with calls from those like Laura, 71 years of age, and thinking of committing suicide, until she spoke to one of our volunteers, Christina. Laura desperately wanted prayer, and Christina was able to lead her in a prayer of recommitment to Jesus and then a further prayer time about many issues in her life. By the end of the two hours together Laura was laughing down the phone and saying how she felt so different.

This is the God we serve

NEW CAMPAIGN

As part of the New Year New You Campaign we have tried again to target Twitter but have found that as soon as we post the Salvation Story videos, Twitter immediately hides them.

Can we pray about this?

New Year New You Evangelism Campaign is also going great guns on Facebook. Since it started on the 4th of January 1,472 have clicked on the salvation prayer link.

720 of these link clicks have come from India.

210 have come from the UK.

144 from Nigeria.

393 link clicks have come from a further 31 countries around the world including Finland, USA, Uganda and Algeria.

Many Christian Charities and Evangelism Organisations are recognising the season we are in. More than five times the amount of people have come to faith in 2020 than in the previous five years!

On our BMF LifeStories Social Media Pages, over 80% of our followers are non-Christian. with 27,000 Muslims from Libya and Algeria.

Over 90% of our daily audience for our lunchtime Salvation Stories are non-Christian. and thousands of them are from the UK.

One BMF Member told us about a member of his family, who isn't saved, who has been watching the videos each lunchtime since the New Year New You Campaign started.

Please this week take time during your lunch to pray for our lunchtime Salvation Stories, and that we may see revival start to break out in our Nation. In Jesus Name!

**Time is short friends!
Have you recorded your Salvation Story ?**

All you have to do is record a headshot of yourself with your mobile phone and use this formula:-...

I - Intro - Introduce yourself and the job you do or did

C - Content - Tell us how you found Jesus (Don't mention churches or denominations)

E - Exit - Encourage people to click the Salvation Prayer link or call the Salvation Prayer Hotline

It really is that simple - See full details below on how to submit

When we are able to put events on again, we are keen to partner with local churches to put on LifeStories events across the UK. We have pencilled in Pastor Des Duffy's Church in South Wales as the first, followed by Pastor Keith Cook's Church in Sunderland as the follow up.

2021 holds many unknowns but we are desperate to once more go out and put on events across the UK to reach the people who have watched the Salvation Story videos. We are tentatively making plans for Outreach LifeStories events in South Wales and Sunderland in 2021.

If you would like your Church to get involved in having a LifeStories night to reach people in your community let us know.

FULL GOSPEL GLOBAL FORUM

In March 2021 we have been asked to run the FGGF Conference for FGB/BMF Groups from across the world.

This will include Chile, Germany, Nigeria, Canada, USA, Latvia and Russia, as well as the U.K.

The logistics of this means that on Zoom we will have 8 different interpreters translating at any one time.

The knowledge we are gaining from this FGGF Conference could equip us to offering at different times each year the opportunity for all these Christians in these countries to watch our Monday night Zoom meetings in the future,

Wouldn't it be amazing to see Christians inviting their non-Christian friends and family to Churches or meeting halls to watch a Salvation Story from the U.K. on Zoom in the future.

Please pray

[Morning Prayer and Praise](#)

ZOOM ADDRESS **669 344 7882**

Join Trevor Bendrien and men of the FGB UK for a morning prayer and praise meeting, Every Weekday Morning of Lockdown Open @ 10:00am and the meeting starts at 10:15 - 11:00.

Keep sending in your prayer requests

One of these prayer requests came through the salvation prayer hotline to Dave Barnfield, from Bernard and his daughter Helen. Helen asked for prayer as she has had to have a COVID test and was anxious of the result. Dave prayed for her and Bernard and passed the prayer request on to the rest of the BMF Men to pray for Helen. The response came back later from Helen: "Thank you Jesus the result is all clear," Amen! Thank You Jesus!

If you have a word from the Lord please contact Trevor on trevor@bendrien.com, with an outline so it can hopefully be used in the meeting.

Subscribe to our YouTube Channel

New Year New You Evangelism Campaign is really gathering page on YouTube with **892** people now subscribing to the page from around the world.

Over 5,400 people have watched Allan Jones' Salvation Prayer Video in the last two days!

Praise God we have been shown by a young teenager some extra tips to help reach more people across the world with the Salvation Story videos, and this is bearing great fruit.

Can we pray for the people who see these videos to respond and protection over all those involved in this new strategy?

GET INVOLVED

We are, at BMF LifeStories, very conscious that our aim is to support the local church and help bring this harvest into the local church. To aid this we would like to offer on a Sunday night an opportunity for churches to reach their communities through Facebook,

If you would like to get involved with this please let me know and I will let you know what we need to make this happen,

We would love more people to record their Salvation Story. If you are wondering how you can do it, here is a simple formula to follow:-

If you can record a video with your mobile phone and then send it to me on whatsapp - [07785 237739](tel:07785237739)

Intro - Your name, where you live, your occupation (If you are retired, what you did before retiring).

Video Content - HOW YOU GOT SAVED. PLEASE DO NOT MENTION DENOMINATIONS OR CHURCHES. it is purely how you came to know Jesus and his Saving Grace

Please try and keep the video below 5 minutes

If you then can get your church leaders' backing, we will put your church details on our website for people to see,

If you've recorded your Salvation Story, record. now another testimony from your life as a Christian. using the same formula as above...Our aim will be to post this on Facebook in an evening on LifeStories Extra.

We are looking forward to a blessed evening where we can reach many people across the world!

PSALM 138:8 The LORD will perfect *that which concerneth me: thy mercy, O LORD, endureth for ever: forsake not the works of thine own hands.*

**We would welcome any support
you wish to give to continue
sharing these lifestories**
